## ALUCUP Specification

- Heavy duty, quality controlled cast iron, produced by ISO 9001 certified foundry.
- Easy removal & fast installation. Simple removable pin-on design.
- Contours designed for smooth pouring.
- Unique design minimizes aluminium build-up and premature cup replacement.
- Textured cast surface is excellent for ladle coating adherence.
- Ladle cup pivots on spout which maintains consistent metal flow.
- Extra thick quarter-inch wall for longer life.
